RE: Public Records Request

[REDACTED]

In response to your public records request and subsequent phone conversation, Duval County School Board has received lobbying services from Miller Consulting Group Inc., Southern Strategy Group, Tidewater Consulting Inc., and Mark Maxwell during the requested period January 1, 2004 through present. Please find attached the following responsive documents pertaining to lobbying services provided to our school district:

- Service agreements that the District held with Southern Strategy Group, Tidewater Consulting Inc., and Miller Consulting Group, Inc.;
- Payment schedules for Miller Consulting Group, Inc., Mark Maxwell, Southern Strategy Group, and Tidewater Consulting during the requested period.

Further, the District currently holds membership with the Florida Association of District School Superintendents and the Florida School Boards Association. If you would like to discuss this request further, please do not hesitate to contact me.

Respectfully,
